OUTPUT SERVICES GROUP ACQUIRES KRAWEN, INC.

ENGLEWOOD, NJ – August 4, 2008 – Output Services Group, Inc., d/b/a OSG Billing Services, a market leader in the invoice presentment and billing services industry, today announced that it has acquired Krawen, Inc., d/b/a Imagecom, a privately held provider of invoices, statements, direct mail and other time-sensitive business documents headquartered in Waldwick, New Jersey.

The addition of Krawen's state-of-the-art production facility combined with their team's expertise further strengthens Output Services Group's position as an industry leader. Additionally, this acquisition helps Output Services Group further diversify its client base by adding customers in several financial services sectors.

"Today, we significantly increased the depth of our business while furthering our reach into new vertical markets. This acquisition fits well with our strategic plans for continued growth," said Kent Herring, chief financial officer of Output Services Group. "We look forward to working with the management and employees of Krawen and to providing our new clients with an unparalleled level of service."

"Krawen's decision to merge with Output Services Group reflects our determination to act in the best interests of our customers, employees and partners," said David Smith, founder and president of Krawen. "I strongly believe that this opportunity will benefit the clients and employees of Krawen. We are very excited to be joining forces with such a noted leader in the industry," Smith concluded.

About Krawen, Inc.

Krawen, Inc. d/b/a Imagecom was incorporated in 1997 to provide practical solutions to the problems associated with producing financial statements, billing statements, large volume computer reports and pick and pack/fulfillment services. We supply comprehensive turnkey approaches to upscale business organizations in order to meet their corporate communications needs. Previously XPRO, Inc. (est. 1984), the company was purchased by a group of investors who saw an opportunity to fill a void in today's marketplace. A systematized approach is taken to provide efficient, timely and cutting-edge services.
