FOR IMMEDIATE RELEASE

OSG Billing Services Acquires Miria Systems, Inc.
*The acquisition expands OSG's integrated payment platform by
leveraging Miria's intelligent business automation*

RIDGEFIELD PARK, NJ – August 21, 2018 – OSG Billing Services (OSG), a leading provider of omnichannel billing and payment solutions, customer engagement and critical customer communication management, today announced that it has completed the acquisition of Miria Systems, Inc. (Miria), a leading provider of intelligent business process automation specializing in accounts payable and expenses, headquartered in Norristown, PA. Miria will continue to be led by President Marty Michael and will operate as a subsidiary of OSG.

“Miria’s innovative solutions align perfectly with OSG’s technology integration strategy,” states Scott W. Bernstein, OSG’s Chairman and CEO. “Their cloud-based, intelligent business automation is an ideal complement to OSG’s existing integrated payment and B2B offerings and OSG’s recent acquisition of Paybox. We are happy to have the Miria team join the OSG family and to further strengthen our position as a partner of choice for technology-driven, transactional and customer communications solutions.”

“This is an exciting time for Miria,” says Michael. “Over the years, we have evolved into an Intelligent Business Process Automation provider, and this merger enables Miria to further our strategy of bringing digital business process transformation solutions to our customers. With our shared values and commitment to innovation, Miria and OSG are a great fit together.”

About OSG

For more than 25 years, OSG has been a leading outsourced provider of omnichannel billing and payment solutions, offering a full suite of integrated customer communications and engagement solutions that transform the way our clients reach their customers. From transactional documents to strategic marketing initiatives, OSG employs cutting-edge digital technology to expertly craft communications that enhance the customer experience. OSG’s reputation for excellence is based upon award-winning communications solutions and long-term investment in clients’ success.

About Miria

Miria, established in 1996, is a leading provider of intelligent business process automation for financial transaction processes specializing in accounts payable and expenses. Miria has evolved from a document management solution into a best-in-class Cloud provider of intelligent business automation. Miria brings automation, mobile accessibility, cloud technology and big data to a client’s financial operations to transform paper processing into a streamlined, straight through business process.
